RHEUMATOLOGY REFERRAL

Your GP has suggested asking for a referral to:

Homerton Healthcare NHS Foundation Trust

Waiting so far	**About 3 weeks** (NHS data, Aug 2026) Half of the people currently on this list have waited this long or less. This is a typical figure, not a guaranteed date.
Care Quality Commission rating	**Good** (rated in 2018) This rating is more than 2 years old. It covers the whole trust.
Distance	**About 7 km** from your area Measured to the trust's main office. Your appointment may be at another of its hospitals.

Why this option

Half of the people on this trust's rheumatology waiting list have waited 3.4 weeks or less so far, and 99 in 100 have waited under 18 weeks. Your GP has weighed this against the trust's rating and how far you would need to travel.

You may be able to choose your provider

Patients may be able to choose their provider for a first outpatient appointment with an eligible consultant-led service. Find out more at: **www.nhs.uk/using-the-nhs/about-the-nhs/your-choices-in-the-nhs/**

This summary is not medical advice. Talk to your GP if anything changes. It does not apply to urgent referrals or suspected cancer referrals, which follow faster routes.
